TRAVEL GROUP

MEET OUR FAMILY OF BRANDS

Welcome to the Next Generation Travel Group

Our Vision is to be the trusted partner of choice for a broad range of high-quality tours and experiences for young people.

Our Mission is to enhance learning for young people through inspiring, content-rich experiences, created by experts who care.

Our Approach is to balance learning and personal development.

We believe experiences away from home for young people are essential for not only improving knowledge, but also offering much-needed bonding time and confidence boosts for young people.

Our Five Specialist Brands

NGT is the driving force behind the UK's fastest growing educational travel brands; offering a wide range of tours and sports events in the UK, Europe and Worldwide, for young people aged 10 -21 years at Schools, Colleges & Universities and Junior military cadets, all designed to open minds and empower learning.

Offers exciting educational tours & residential activity breaks in the UK, Europe and Worldwide

The market leader in fully-guided history trips for UK schools.

Delivering larger scale seminars and events in the UK and Europe and organiser of London Theatre tours.

A provider of sporting events, festivals and specialist sports tours in the UK, Europe and around the world

Provides tailor-made tours across the globe for 16 – 21 year olds

WST offers a wide range of educational tours to destinations in the UK, Europe and Worldwide.

As a five-time winner of Best School Tour Operator and having been operating school tours for over 35 years, we make sure you get the very best service throughout the planning and booking process of your school trip.

Our specialist team, with over 400 years' combined experience in the educational visits market, has extensive knowledge of our destinations and will work with you to get the very best out of your educational trip.

Covering Primary, Secondary and Sixth Form learning, all of our tours are tailor-made to suit your learning objectives for your subject and your students.

From theatre trips to London, Language tours to Europe, field trips to Iceland, Art tours to New York and so much more, we offer a wide range of destinations to support your subject learning.

Key destinations include:

UK Residentials

London

Paris

Barcelona

Berlin

Iceland

Geneva

New York

What Our Customers Say...

"WST stepped in at a short notice when we encountered issues with another supplier, nothing was too much trouble and they listened to our requirements to build a package as opposed to trying to shoe-horn us into an existing format. The service we received was a world apart from that we had previously experienced and the trip went without a hitch, which was great."

Netherthorpe School

Specialists in fully-guided history trips for UK schools.

At Anglia we care about our customers, our staff, the places we visit, the stories we tell and the organisations we work with. These key principles define who we are and what we do. We believe they are also the reason why Anglia is the market leader in fully-guided history trips for UK schools.

We work with you to design a bespoke tour which meets the specific needs of your school and which supports what you are teaching in class. We start by asking what you want your students to see and what you want them to experience then build the tour around these requirements. A tour which, as the testimonials on our website show, your students will find thought-provoking, engaging and enjoyable.

Our most popular guided tours include:

Whitechapel Walking Tour

UK Trench Experience Tour

WWI Battlefields Tour

Surgery & Treatment

Berlin

Munich

Krakow

What Our Customers Say...

"We regularly use Anglia for our major trips and will continue to do so. This is principally down to the high level of administrative support offered in the planning of trips, the engaging and charismatic performance of the guides who always succeed in bringing the trip to life for the students and the friendliness of all its staff at all stages of the trip."

The Malling School

Student Conferences & Seminars

Our seminars offer your students a unique opportunity to develop their knowledge and skills, interacting with subject and industry specialists who will give them new insights, boost their understanding by igniting a passion for their subject and provide food for thought for a future career.

Earth Summit

This 2 day event will provide students with a chance to take part on a wide-ranging examination of the factors causing Climate Change, the effect it is having on biodiversity, debate the meaning of Sustainability and explore how we all could live more sustainably at home, at school and in the community.

Set The Stage

A brand new, exclusive event, created specifically to support the teaching of Performing Arts at GCSE, BTEC and A level. With interactive performance sessions, engaging talks, sound deck and lighting workshops, your students will be immersed in the world of performing arts, gaining constructive feedback from professionals and discovering more about a career in the Arts.

Disneyland® Paris Seminars

Discover the magic of Disneyland® Paris! As a preferred partner of Disneyland® Paris, Study Experiences has developed subject specific Disney seminars and workshop-based educational programmes designed to support your students' learning. Your students can not fail to enjoy a unique learning experience in such a magical environment.

What Our Customers Say...

"It was a fantastic trip! The students loved it. It was well organised and were happy to answer any questions I had prior to the trip. We will definitely go again next year!"

Southam College

"Would highly recommend the whole experience and we will be booking again for next year."

Southport College

"I just wanted to say a big thank you for such a successful trip, all students and staff thoroughly enjoyed it."

St John's Catholic Comprehensive School

**Find out more at [studyexperiences.co.uk](https://www.studyexperiences.co.uk)
or call 020 8335 4455**

Whether you're looking to experience sporting events at a spectator level or if you want your young athletes to experience competitive sport in a new environment, our unique sporting partnerships offer exciting opportunities for a range of sports.

Netball

Take part in our iconic Junior Netball Festival at Disneyland® Paris, improve their skills at a UK based event or take netball trip of a lifetime to South Africa to see the Netball World Cup in 2023. All in partnership with England Netball.

Wimbledon

Take your students to see one of the most iconic sporting events of the year. Sport Experiences are the only ticket providers for school groups attending Wimbledon.

Rugby

Enjoy foreign competition with our tournaments in France, hosted by local rugby clubs.

Football

Enjoy our football tournament in Barcelona or choose your own tailor made tour of Barcelona and the Costa Brava or Costa Dorada.

What Our Customers Say...

"Fantastic! Well organised. Approachable and excellent with getting back to emails."

Dronfield Netball Club

"4 trophies, 35 happy girls and coaches, endless smiles and memories to last a lifetime."

Halo's Junior Netball Club

TRAVEL GROUP

Supporting Your Learning Outcomes

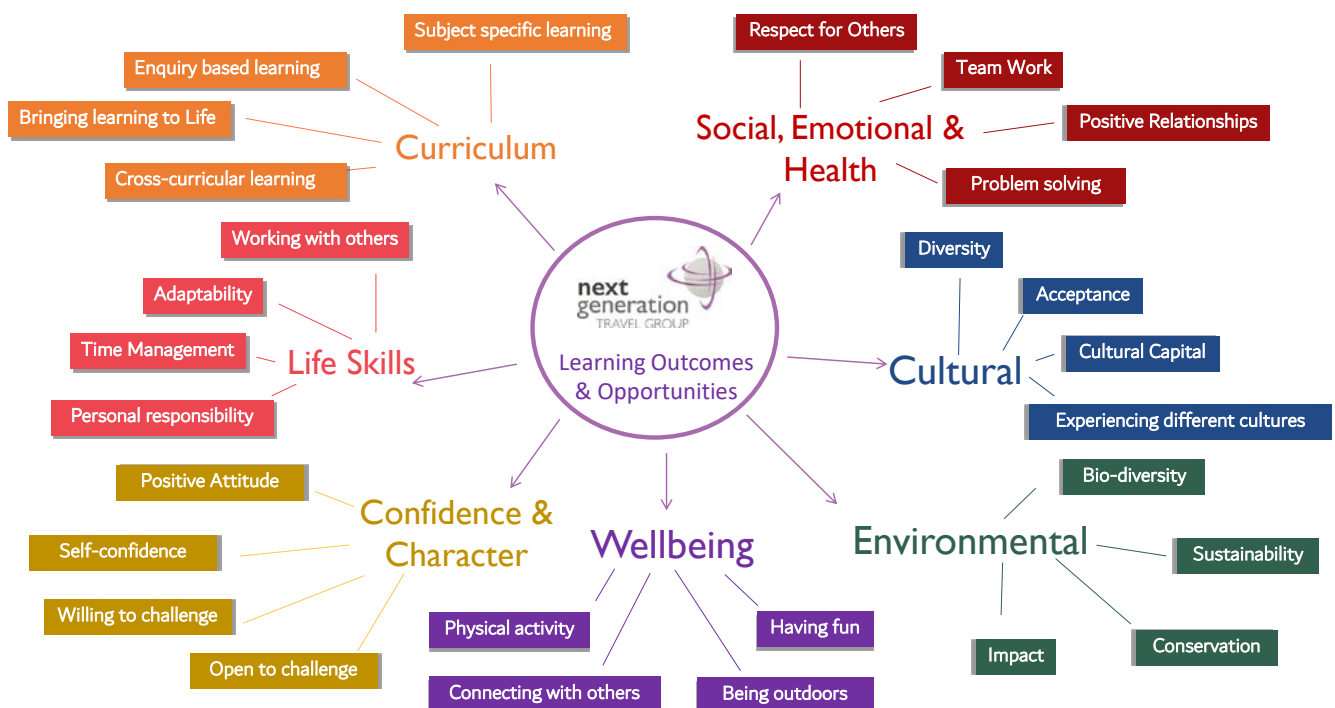

We know from the feedback we have received from parents, teachers and students that our educational visits have had a positive impact on thousands of young people who have travelled with us over the years – and it's not just the educational content they benefit from.

There is ample evidence that well-organised trips and visits can broaden horizons and enable young people both to develop new skills and build relationships. Learning outside the classroom can also make young people more engaged with learning and thereby lead to improvements to academic achievement.

“There is an abundance of research that suggests good quality learning outside the classroom adds significant value to young people’s learning. It provides a context for accumulating integrated and subject based knowledge and for developing key skills. Effective learning outside the classroom relies on problem-solving skills, cooperation and interpersonal communication: all essential skills for today’s young people.”

Council for Learning Outside the Classroom

Our Learning Outcomes Mind Map highlights some of the areas where learning outside the classroom outdoor learning can prove a very effective means of achieving educational aims and meeting desired learning outcomes:

A GUIDE TO RISK ASSESSMENT Teachers' Pack

ABTA

STF Travel Sure FAQ's

How can I purchase this insurance?

This scheme is only available to purchase as part of a tour package via STF members who have signed up with AXA. It is not possible to purchase direct from AXA.

Why do we need to have travel insurance?

If you're travelling abroad, it's important to take out appropriate travel insurance when you book, as the Government advise. See <https://www.gov.uk/foreign-travel-advice/insurance> for more information. Most tour companies make it a condition of booking that you have adequate insurance cover in place whether sourced through them or an alternative provider, so please check with your provider.

Everyone in the group has a GMC for all EHRS. Do we still need travel insurance?

Remember that a GMC or EHRS is not an alternative to travel insurance. It will not cover any private medical healthcare or costs, cancellation, travel delay, mountain rescue in ski resorts, being flown back to the UK, or lost or stolen property.

Our school already has cover in place with the EHRS's commercial insurer, so what additional benefits will we see from having this travel insurance policy included?

Please check the summary of cover carefully as all policies differ, so you can ensure that any policy fully meets your needs and requirements and is fit for purpose for the trip and activities that you are planning whilst away. If included, there's no harm in having cover under both.

How can we see, at a glance, what the key benefits of the policy are?

The table of benefits and Policy wording can be found on this website for easy reference.

INVESTORS IN PEOPLE
We invest in people Gold

However far you travel, we know a school trip will provide your students with a unique experience that will improve their learning and ignite a passion for their subject. Just as importantly, it provides them with time to bond with their peers in a new environment, and to develop the confidence and skills which they will take forward with them through the rest of their school life and beyond.

At Next Generation Travel we believe it's important to reward those of you who regularly choose from our wide range of trips with WST, Anglia Tours, Study Experiences, Sport Experience and FHT with a choice of bursary to suit your school needs.

We know that supporting the wellbeing of your school community has been and continues to be a major priority in returning back to regular school life, but this can also be a challenge financially. It may also be time consuming for you to find new ideas and services to support the work you are doing daily in your schools. So, our loyalty scheme will support you with this.

If your school takes 4 overnight trips with Next Generation Travel from Sept 2021 to July 2023, you can choose from:

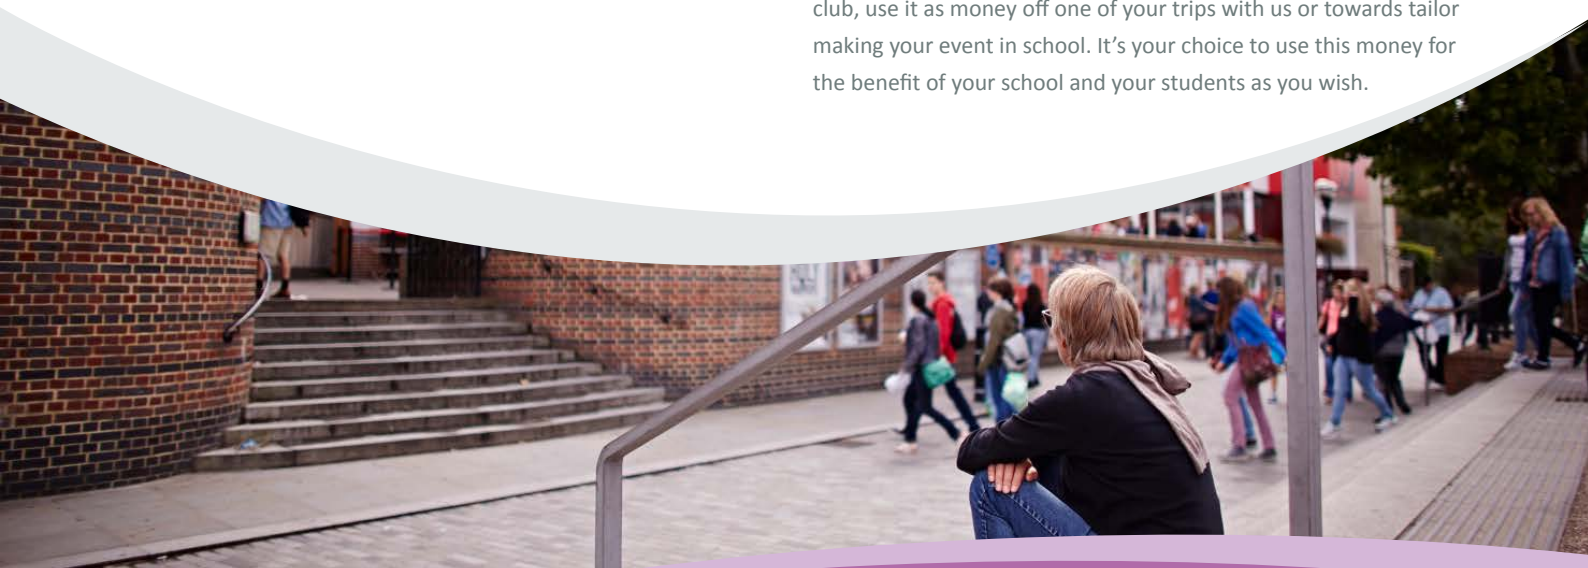

1. Character First Bronze Subscription

We have partnered with Character First, a company that delivers character development programmes into schools. We will give you a Character First Bronze Subscription worth £1000. This will allow you to select 6 wellbeing and character building experiences for your students. You will be able to choose from experiences such as a bushcraft day, yoga session, role model visits or even tailor make your own experience.

2. Next Generation Travel Wellbeing Bursary

If you already have your wellbeing plans in place, then you can choose this option, to further support the incredible work you are already doing. We will reward you with £1000 to spend in your school. You may want to use it for equipment, fund a breakfast club, use it as money off one of your trips with us or towards tailor making your event in school. It's your choice to use this money for the benefit of your school and your students as you wish.
