

# must-have apps to download before your school trip abroad

To get the most out of your school trip and create lasting memories, you'll need to tweet, blog, share, snap, and shoot as much as you can. We've found the ten best apps to take with you on your travels:

## 1 WordPress

Blogging App - upload killer content from wherever you are in the world

## 6 Vine

Cut together six-second videos that play on a loop - get creative

## 2 Evernote

Free note-taking App - scribble down and save musings on the go

## 7 XE Currency

Find out how much anything costs in £ with this real-time currency converter

## 3 Instagram

Transform your pics then share with the world

## 8 Google Translate

Translate words and phrases between 64 languages with audio translations too

## 4 Audioboo

Record 'soundbites' and publish them directly to the web, Facebook or Twitter

## 9 Skype

Sign up for Skype before you head off and chat with family for free (on wifi)

## 5 Magisto

Create professional looking short films with just a few clicks of a button

## 10 Field Trip

Your own personal tour guide in your pocket

*Don't forget - ensure you are connected to free WiFi before using any app.*
